PLEASE NOTE:

In reading this marking scheme, the following points should be noted:

A forward slash / before an answer indicates that the answer is synonymous with that which preceded it or is an alternative answer. Answers separated by a forward slash cannot therefore be taken as different answers.

A dash - before an answer indicates that the answer is a separate answer, which may be considered as independent of any other suggested answers to the question.

Rounded brackets () indicate material which is not considered to be essential in order to gain full marks.

Square brackets [] show a breakdown of marks within the question or give further clarifications for marks to be awarded for certain answers to that question.

N.B. In all Sections of the examination the answers given on the marking scheme should not be considered as the only possible answers that may be accepted. Answers which are synonymous with or equivalent to those on the published marking scheme are also acceptable.

In developing the marking scheme the following should be noted:

- *In many cases only key phrases are given which contain information and ideas that must appear in the candidate's answer in order to merit the assigned marks*
- *The descriptions, methods and definitions in the scheme are not exhaustive and alternative valid answers are acceptable*
- *The detail required in any answer is determined by the context and the manner in which the question is asked, and by the number of marks assigned to the answer in the examination paper. Requirements and mark allocations may, therefore, vary from year to year.*
- *Words, expressions or phrases must be correctly used in context and not contradicted, and where there is evidence of incorrect use or contradiction, the marks may not be awarded.*

- *Use of a tape recorder on grounds of a physical difficulty*
- *Use of a voice activated word processor*
- *Use of a scribe*

- *Use of a word processor on grounds of a **learning difficulty only** (computer with the spell check and grammar check facility enabled/ turned on).*

For those candidates granted a spelling and grammar waiver, errors in certain grammatical areas are not penalized. In assessing the work of these candidates, a modified marking scheme will apply.

Section A

The Modified Marking Scheme applies to Prescribed Literature Q.1(a), 1; and Journalistic Text Q.1(b), 2 & 4.

Section B

The Modified Marking Scheme applies to Q.1, 3 and 5.

Section C

The Modified Marking Scheme applies to all of this section.

Content and communication will be marked as standard but **spelling** and elements of **grammar**, such as verb endings and agreement of adjectives will not be penalized.

Spelling: Missing or incorrect accents are regarded as spelling errors which are not to be penalised.

Grammar: the grammatical elements which are not to be penalised can be judged by imagining that you are hearing the answer on a tape/CD. If it sounds right, mark as such. Only mistakes that would be picked up when listening should be penalised.
